

# ESET NOD32 Antivirus vs. AVG Anti-Virus

Superior Detection

## ESET NOD32® Antivirus offers superior security protection

ESET's ThreatSense® heuristics closes the window of vulnerability by proactively identifying and stopping malware attempting to enter or run on your computer.

- ✓ **Benefit from better protection against zero-day threats**  
11% more effective proactive protection than AVG (AV-Comparatives, May 2009)
- ✓ **Spend less time recovering accidentally deleted files**  
Three times fewer false positives than AVG (AV-Comparatives, November 2008)
- ✓ **Stay protected against real In-the-Wild threats**  
ESET NOD32 has never missed an In-the-Wild virus. AVG has missed 979.  
(Virus Bulletin, May 1998 – August 2009)

## ESET NOD32 Antivirus won't slow down your computer

Because of its highly optimized code and light system footprint, ESET NOD32 Antivirus includes one of the fastest scanners in the industry.

- ✓ **Spend less time waiting for your computer to start**  
26% faster boot time than AVG (PassMark Software, March 2009)
- ✓ **Start browsing Internet faster**  
Internet Explorer launch speed is almost three times faster than AVG  
(PassMark Software, March 2009)
- ✓ **Scan your PC faster**  
Scanning speed is four times faster than AVG (PassMark Software, March 2009)

## ESET NOD32 Antivirus has received the most awards in the industry

- ✓ **29 more VB100 awards; ESET 57, AVG 28**  
(Virus Bulletin, May 1998 – August 2009)
- ✓ **The most Advanced+ awards in Proactive Protection; 11:0**  
(AV-Comparatives; February 2004-May 2009)

Fast Performance

Awards

# ESET Smart Security vs. AVG Internet Security

## ESET Smart Security® offers superior security protection

ESET's ThreatSense® heuristics closes the window of vulnerability by proactively identifying and stopping malware attempting to enter or run on your computer.

NOTE: Results are for ESET NOD32®, the same technology used in ESET Smart Security.

### ✓ Benefit from better protection against zero-day threats

11% more effective proactive protection than AVG (AV-Comparatives, May 2009)

### ✓ Spend less time recovering accidentally deleted files

Three times fewer false positives than AVG (AV-Comparatives, November 2008)

### ✓ Stay protected against real In-the-Wild threats

ESET NOD32 has never missed an In-the-Wild virus. AVG has missed 979. (Virus Bulletin, May 1998 – August 2009)

## ESET Smart Security won't slow down your computer

Because of its highly optimized code and light system footprint, ESET Smart Security (built with the same ThreatSense engine as ESET NOD32 Antivirus) includes one of the fastest scanners in the industry.

### ✓ Spend less time waiting for your computer to start

41% faster boot times than AVG (Cascadia Labs, August 2009)

### ✓ Start browsing Internet faster

Internet Explorer launch speed is almost three times faster than AVG (PassMark Software, March 2009)

### ✓ Scan your PC faster

Scanning speed is 73% faster than AVG (PassMark Software, March 2009)

### ✓ Notice improvement in your overall PC performance

At-rest memory usage is four times less than AVG (Cascadia Labs, August 2009)

## ESET Smart Security's engine has the most awards in the industry

NOTE: Results for ESET NOD32, the same technology used in ESET Smart Security

### ✓ 29 more VB100 awards; ESET 57, AVG 28

(Virus Bulletin, May 1998 – August 2009)

### ✓ The most Advanced+ awards in Proactive Protection; 11:0

(AV-Comparatives; February 2004-May 2009)
