

ESET NOD32 Antivirus vs. McAfee VirusScan Plus

ESET NOD32® Antivirus offers superior security protection

ESET's ThreatSense® heuristics closes the window of vulnerability by proactively identifying and stopping malware attempting to enter or run on your computer.

- ✓ **Benefit from better protection against zero-day threats**
31% more effective proactive protection than McAfee (AV-Comparatives, May 2009)
- ✓ **Stay protected against real In-the-Wild threats**
ESET NOD32 has never missed an In-the-Wild virus. McAfee's has missed 143. (Virus Bulletin, May 1998 – August 2009)
- ✓ **Receive new virus signature updates faster**
Average response time of ESET is almost four times faster than McAfee's (AV-Test, Q1 2009)

ESET NOD32 Antivirus won't slow down your computer

Because of its highly optimized code and light system footprint, ESET NOD32 Antivirus includes one of the fastest scanners in the industry.

- ✓ **Install your security solution faster**
Installation time is six times faster than McAfee (PassMark Software, March 2009)
- ✓ **Spend less time waiting for your computer to start**
16% faster boot time than McAfee (PassMark Software, March 2009)
- ✓ **Start browsing Internet faster**
Internet Explorer launch speed is 41% faster than McAfee (PassMark Software, March 2009)
- ✓ **Scan your PC faster**
Scanning speed is 27% faster than McAfee (PassMark Software, March 2009)

ESET NOD32 Antivirus has received the most awards in the industry

- ✓ **16 more VB100 awards; ESET 57, McAfee 41***
(Virus Bulletin, May 1998 – August 2009) *Includes McAfee's 'Total Security'
- ✓ **Over five times as many Advanced+ awards in Proactive Protection; 11:2**
(AV-Comparatives; February 2004-May 2009)

ESET Smart Security vs. McAfee Internet Security

ESET Smart Security® offers superior security protection

ESET's ThreatSense® heuristics closes the window of vulnerability by proactively identifying and stopping malware attempting to enter or run on your computer.

NOTE: Results are for ESET NOD32®, the same technology used in ESET Smart Security.

✓ Benefit from better protection against zero-day threats

31% more effective proactive protection than McAfee (AV-Comparatives, May 2009)

✓ Stay protected against real In-the-Wild threats

ESET NOD32 has never missed an In-the-Wild virus. McAfee has missed 143. (Virus Bulletin, May 1998 – August 2009)

✓ Receive new virus signature updates faster

Average response time of ESET is almost four times faster than McAfee's (AV-Test, Q1 2009)

ESET Smart Security won't slow down your computer

Because of its highly optimized code and light system footprint, ESET Smart Security (built with the same ThreatSense engine as ESET NOD32 Antivirus) includes one of the fastest scanners in the industry.

✓ Install your security solution faster

Installation time is eight times faster than McAfee (PassMark Software, March 2009)

✓ Spend less time waiting for your computer to start

21% faster boot time than McAfee (PassMark Software, March 2009)

✓ Start browsing Internet faster

Internet Explorer launch speed is 43% faster than McAfee (PassMark Software, March 2009)

✓ Scan your PC faster

On-access scan is 28% faster and On-demand scan is 46% faster than McAfee (Cascadia Labs, Aug. 2009)

✓ Improved overall PC performance

At-rest memory usage is six times less (Cascadia Labs, August 2009)

ESET Smart Security's engine has the most awards in the industry

NOTE: Results for ESET NOD32, the same technology used in ESET Smart Security

✓ 16 more VB100 awards; ESET 57, McAfee 41*

(Virus Bulletin, May 1998 – August 2009) *Includes McAfee's 'Total Security'

✓ Over five times as many Advanced+ awards in

Proactive Protection; 11:2 (AV-Comparatives; Feb. 2004-May 2009)
